## **New Business:**

The guests present for the meeting were representing the Marshfield Pioneer Cemetery. Cricket Soules was the spokesperson. She presented a grant opportunity to the Parks Commission to assist with improvement to the fence and gate of the cemetery. They distributed a brochure to the commission that covered the history of the cemetery beginning back in 1888 to its current plans to celebrate the Sailor-Soldier Monument's 100<sup>th</sup> anniversary in 2015. Cricket also presented another handout of the Marshfield Pioneer Cemetery Proposed Ornamental Fencing Plan involving a new gate and interpretive panels as a welcoming façade. Cricket went on to explain that there are plans for a grant from the Oregon Commission on Historic Cemeteries in the spring of 2014 and demonstrating community commitment will be essential for this project. Thanks to a contribution from a local landscaper, potted daylilies will be offered in support of this project.

Currently the partnership with SCBEC and Marshfield High School has worked well assisting with the maintenance and upkeep of the cemetery. Another guest, John Hampton, a Marshfield High School student, shared his experience he's gained from a manufacturing class at the high school and a few projects they have achieved in our community. He will draft a set of plans in CADD by March 31, 2014 for the placement of the fence. The estimated cost is to be around \$100 per foot for an approximate 48 feet. It is unknown who will do the construction.
