Coffee with the Contractor...

It's no secret, the City is building a new wastewater treatment plant in Empire at the northeast corner of Fulton Avenue and South Empire Blvd. As you can see in the picture below, construction is underway!

This new plant will serve the Empire District and Charleston area. Due to the construction, there will be a great deal of activity including mobilization of cranes, sheet pile driving, increased construction traffic in the surrounding neighborhood, etc. that may impact the nearby

neighbors and businesses. As a result, the City and the City's contractor want to invite the community to join us for an informational open house and opportunity to engage with our Contractor and City staff regarding this construction.

We will discuss the construction schedule, upcoming activities, and address any questions or concerns of the community. The Open House will be held at 678 South Empire Boulevard at 4:30 pm on Thursday, March 23rd. Coffee, water, snacks, and cookies (compliments of NW Natural) will be provided. Available parking can be found on Marple Street (adjacent to the construction site) and along the portion of Fulton Avenue on the west side of South Empire Boulevard. The City's contractor will have personnel on site to help direct traffic (vehicle & pedestrian).

City Clean Up Day (Coos Bay and North Bend):

The annual City Clean Up Day is scheduled for Saturday, April 22nd from 10am to 3pm. Residents of Coos Bay and North Bend can donate at least 4 items of food or \$4 for the South Coast Food Share and then drop off up to 4 cans (35 gallon size) of household garbage. Recyclables are welcome, but no tires, appliances, furniture, metal, or hazardous materials will be accepted. Garbage drop-off is limited to residents of Coos Bay & North Bend.

United Way Day of Caring will be helping out community members such as elderly or disabled persons by picking up garbage at their homes and bringing it to a drop-off site. South Coast Food Share, North Bend Presbyterian Church, and the Salvation Army will be helping to collect donations and direct traffic at the drop-off sites. Les' Sanitary Service, Coos Bay Sanitary Service, and North Bend Sanitation will be accepting the garbage and providing the collection equipment.

Last year, we accepted over 19 tons of garbage and collected over 1,000 pounds of food for local food banks. This is our 10th year, so we hope to make this event even bigger and better than ever!

10th Annual Coos Bay & North Bend
City Clean Up Day
Saturday April 22, 2017, 10am to 3pm

Donate **4**  or 

at least 4 items of food or \$4 for the South Coast Food Share

Free Household Hazardous Waste Collection Event

Please call to
make an
appointment:

Coos County
Solid Waste Dept.
541-396-7624

WHAT NOT TO BRING

Ammunition
Asbestos
Explosives
Fireworks
Medical Waste
Sharps
Radioactive Waste

HOW TO BRING YOUR HAZARDOUS PRODUCTS TO THE EVENT:

Products should be left in their original container. Label materials not in their original container only if you are sure of the contents.

Please do not mix products together. Dangerous reactions can occur when some materials are mixed.

Make sure containers are properly sealed so they won't leak or spill. If a container is leaking, secure it in a secondary leak-proof container.

Transport in a sturdy box or tub in your trunk or truck bed.

Please do not put items in plastic bags.

Bring in any of the items listed and we will dispose of them for you in a manner friendly to the environment.

- Aerosol Spray Products
- Antifreeze
- Art & Hobby Chemicals
- Brake Fluid
- Cleaning Supplies
- Degreasers
- Engine Cleaners

Coos Bay Brush Pick-Up

May 1st

- Brush must be out prior to May 1st.
- 1 pile per address, no more than 5 feet in length.
- Brush should be next to curb, away from any overhead obstacles, fire hydrants, or other obstructions.
- No materials which are not appropriate for grinding. No grass clippings, sod, dirt, loose leaves, plastic bags, baling twine, rope, or non-organic materials.
- Pile must not exceed 5 cubic yards. For larger piles, call Les' Sanitary or Coos Bay Sanitary to make arrangements to pick it up, cost is \$11.50 per cubic yard.

Items to put in your pile:

- ◊ Brush
- ◊ Leaves in paper bags
- ◊ Tree limbs
- ◊ Blackberry vines

Brush pick-up is a great time to make sure your property complies with city code by keeping the streets and sidewalks clear and safe.

Coos Bay Municipal Code 8.10.060 states:

- ◊ The abutting property owner is responsible for keeping streets and sidewalks clear.
- ◊ Trees and bushes must be trimmed so that any overhanging portions are at least eight (8) feet above the sidewalk and at least fourteen (14) feet above the roadway.
- ◊ Any dead or decaying tree must be removed if it is a hazard to the public or to persons or property on or near the property.

For more information, call
Les' Sanitary, 541-267-2848
Coos Bay Sanitary, 541-267-6675
