Easter Egg Hunt Spring Break Event in Downtown

The Egyptian Theatre along with the Coos Bay Downtown Association are working together on a **Easter Egg Hunt Spring Break** event in downtown Coos Bay.

Each morning next week (March 21st – the 25th) at 10:00 am, you can find clues on the Egyptian Theatre Facebook page. The clues will lead parents and their children to the Easter Eggs for that day. Locations will be downtown businesses. The Egyptian Theatre will also post when businesses are out of eggs.

The Coos Bay Downtown Association and the Egyptian Theatre encourage people to visit downtown and the businesses that make this a great place. Theatre Director, Kara Long, says the Easter Egg Hunt in her former town of Delaware, Ohio was popular with merchants and the community. CBDA Board member Gina Young remembers “It was so fun last year, we decided to encourage business participation again this year.”

The Egyptian will be filling 20 eggs each day with theater coupons and free movie passes. Participating businesses will fill the remaining eggs with great treats including candy, gift certificates, and special treats. It all happens March 21st – 25th in downtown Coos Bay.

The Coos Bay Downtown Association advocates for and supports local businesses to thrive by being a vibrant downtown that promotes healthy living and provides opportunities for our community and guests to shop, eat, mingle and explore. For more information about becoming a Coos Bay Downtown Association member call (541) 266-9706.

1000 Books before Kindergarten @ Coos Bay Public Library

1000 Books B4K is a reading program designed to encourage you to read to your baby or toddler. The goal is to read 1,000 books (repeats of the favorites count!) before your child enters school. Any child from birth until he or she enters kindergarten can participate. Register at the library. The library will help track progress and give prizes for each milestone.

City Welcomes a New Employee

Jason Vinyard has joined the City as our new Engineering Technician in the Public Works Department, Engineering Division. Jason was born and raised in Coos Bay, graduated from Marshfield High School, and comes to the City with over 8 years of experience at working at CH2M-OMI (the City's contract operator for the sewer system). In addition to Jason's vast knowledge of our wastewater treatment and collection system, he has several certifications ranging from OSHA training to a Level 1 in Wastewater Operations and a Level 2 in Wastewater Collections. Jason likes the outdoors, fishing, hunting, and lives in Coos Bay with his wife their three children.

Centennial Celebration

As some of you may know, the Coos Bay rail line is celebrating 100 years this August and the Port of Coos Bay is planning a 3 day event similar to the "Railroad Jubilee" that kicked off rail service to the Willamette Valley in 1916.

100 years ago, a contest was held to "vote for your favorite theme." In keeping with the past, the Port has been holding a contest to "vote for your favorite Railroad Centennial Logo." As a vital part to the Port and this event, we are asking for your contribution and vote!

Today is the last day to vote for your favorite logo!!!

Please vote for one of them either by going to the Port's Facebook page <https://www.facebook.com/portofcoosbay> or e-mailing Fiona Bai at the Port of Coos Bay with your choice, fbai@portofcoosbay.com.
