## Do you ever get the impression that no one's listening at City Hall?

If you've called City Hall this week, you may have noticed that your call did not go through or the department answering the phone was not the department you thought you called. City Hall has been undergoing a technology update this week, and the phone lines have been impacted. The City uses a voice-over-

internet-protocol (VOIP) system rather than the hard copper wired land lines that were once the only way to receive telephone service. The technology upgrade currently being undertaken is still ongoing, and it will replace components of the internal infrastructure of the City's network. It will correct the interwoven computer services provided by the City through City Hall.

We appreciate your patience, and we want to reassure you that once the upgrade is complete, the phone system and other computer networking components will be more reliable and efficient. Sometimes we have to slow down to speed up.

## New Reserve Police Officer joins the ranks of the Police Department

We would like to introduce to everyone our newest Reserve Police Officer Rocky Johnston. Rocky Johnston was born and raised on the Southern Oregon Coast. After graduating from North Bend High School in 1997, Rocky spent the next eight years in the United States Air Force where he met his wife Beth, and he served multiple tours in various Middle Eastern countries. After being honorably discharged, Rocky took a position as a musician and associate pastor at Bandon Christian Fellowship where he is still serving today. Rocky has been married to Beth for sixteen years, and they are parents of three children. Rocky has attended and successfully completed the Reserve Officer Training Academy (ROTA), and he will now begin his training course at the Police Department on the various skills he will need to perform his duties as a Reserve Officer.

### Coos Bay Brush Pick Up Begins May 2<sup>nd</sup>!

To be eligible for this free service, please follow these few rules:

- Stack brush out next to the curb prior to April 30<sup>th</sup> in piles less than 5 feet in length and not more than 5 cubic yards.
- Only one brush pile per address.
- No grass clippings, dirt, sod, loose leaves, trash, etc.

For more information, call Les' Sanitation at (541) 267-2428 or Coos Bay Sanitation at (541) 267-6675

*thank you!*

It is with much appreciation we would like to extend our thanks to the Urban Renewal Agency and City Budget Committees who recently completed the review of the FYE 17 budgets. The committees met twice in April to hear the budget message and provide comment and input for next year's operations and capital budgets. Both budgets combined exceed \$90 million dollars. The time spent and input from citizen committees are the heart of what makes our City work well, thank you!

### Coos River Hwy Temporary Road Closure

Coos River Hwy between 10<sup>th</sup> Court and 12<sup>th</sup> Avenue will be closed today, and tomorrow for culvert replacement. Detour route to localized traffic will be provided. Freight traffic will be required to detour at East Bay Road to go north to Coos Bay, and freight traffic going south can detour at Ross Inlet Road.
