Firefighter Gabe Ouellette Fills Vacancy at Fire Department

The Fire Department has hired a new Firefighter to fill the vacancy that was created by Randy Miles' retirement. The department conducted a competitive testing and interview process, and they have selected a local candidate, Gabriel Ouellette, as the newest City employee.

Gabe is a 1996 graduate of Marshfield High School, and he has an Associate degree from Southwestern Oregon Community College in Industrial Manufacturing. He is a Certified Firefighter 2, Pumper Operator, and an Emergency Medical Technician (Intermediate). Gabe worked at Chambers Plumbing and Heating as a sheet metal fabricator for several years before starting his own construction business.

Gabe has been a Volunteer Firefighter with Coos Bay for the past year and a half. In 2015, he was awarded the distinction of Firefighter of the Year by the Department for his commitment, hard work, and positive attitude. Gabe is married, and he has three children. His wife Kimber is a photographer, and she is the president of the Coos Bay Firefighter's Auxiliary. The Fire Department is excited about having Gabe join the career staff, and we believe that he will be a valuable asset to the team.

New Comics and Collectibles Store Opened in Downtown...

Kevin's Comic Stop opened its doors a few weeks ago. After several years of selling comics and collectibles at festivals and swap meets in southern California, Kevin Beller decided to open a brick-and-mortar storefront. He has family in and around Coos Bay, and the area's cool coastal climate and friendly atmosphere seemed like the perfect place to open his own comic book shop. The downtown location has plenty of foot traffic, and it is next to several successful retail businesses. The store sells a mix of new and vintage comics, and it has a variety of gifts and collectibles including toys, models, diecast cars, posters, life-size stand-up characters, Funko pop toys, Hallmark figurines, and other pop-culture novelties.

Kevin's Comic Stop is located at **135 Anderson Ave.**, just one block west of 101.
